Holding: 50 Gal.

Accommodations

Stepping below you would think that you were aboard a 50' plus yacht. Gozzard's unique open "C" plan interior layout makes ideal use of every inch of space available on this beautiful yacht. The yacht is extremely light and airy below with numerous opening ports and hatches for excellent ventilation. The cherry interior is complimented by ultra suede settees that are in exceptional condition. Starting forward is the main saloon with a large wraparound settee with cocktail table that quickly and easily can be converted into a queen island berth or large full dining area. This area can also enjoy privacy by closing the main saloon door and cabin bulkhead divider. Other features of the main saloon are ample storage in hanging lockers forward of the settee and huge lockers to port with custom built in seat and cabinetry on starboard side.

Aft of the main saloon to port is the custom built battery storage with built in washer/dryer above. Next aft is the separate shower stall with the ensuite master stateroom head. To starboard aft of the saloon

is a Large galley which features an island and a dinette area.

Aft of the galley at the base of the companionway steps is a forward facing fully equipped navigation station. Aft of the navigation station is a custom designed garage/storage area. Ample factory built full size chart drawer and storage shelves.

The large master stateroom is to port and features a queen sized berth with cupboards, drawers and hanging locker outboard. There is an ensuite head with vanity sink and medicine cabinet, and a separate shower stall just forward.

- 9000 & 16000 BTU AC/reverse cycle units
